Organizations in Racine County are taking notice of how adverse childhood experiences (ACEs) such as child abuse, neglect, and/or household dysfunction are affecting children and families. Trauma-informed practices can benefit families by creating a stable, safe, and nurturing environment. This workshop will focus on key aspects of creating a trauma-informed environment in early childhood and child care settings. As a result of the workshop, attendees will be able to:

1. Understand the importance of environment
2. Create trauma-informed classroom practices
3. Increase awareness of social emotional learning in the classroom
4. Learn ways to communicate with parents, other providers in the child's life, and access mental health resources in the local community.

**Child Care Providers / Preschool Teachers** who need Certificate of Attendance or Registry Credit must register by paying in person or mailing the completed form with a **\$10** check or money order to: **Racine County UW-Extension**, 209 North Main Street, Burlington, WI 53105. Payment is not refundable and must be received by the deadline.

**Parents/grandparents can participate at no cost**, but they must call to register in advance. If you require special accommodations, please notify when registering. *Workshop is for adults (no child care provided).*

**IMPORTANT:** Participants arriving more than 15 minutes late will not receive Registry Credits nor Certificate of
